

CONTROLLED TEST

AI Overviews cut clicks **38%** in a randomised test.

Not a correlation. Zero-click went from 54% to 72% on the same queries, and the summary now sits above the first result on most of them.

ORGANIC CLICKS LOST	38%
ZERO-CLICK BEFORE AI OVERVIEWS	54%
ZERO-CLICK AFTER AI OVERVIEWS	72%
QUERIES WITH AN AI OVERVIEW	42%
