

ONE CHANNEL, FIVE NAMES

One engine sends **three quarters** of AI referral traffic.

ChatGPT dominates referral volume. The other four engines are visible only if you segment them, which almost nobody does.

OUTBOUND REFERRAL GROWTH, YEAR ON YEAR	+206%
REFERRALS LANDING ON GOOGLE INSTEAD	21.6%

SE Ranking, 2026, referral traffic split; Semrush, ChatGPT clickstream study, 2026. AI referrals often arrive with no keyword.
