

How to Track AI Citations in 15 Minutes a Week

Not just rankings.

The problem

Rank trackers do not show whether AI answers include you.

03 / 07

Step 1

List 5 questions your buyer actually asks.

04 / 07

Step 2

Ask all 5 across three engines, weekly.

05 / 07

Step 3

Record whether you are named, and by which source.

06 / 07

Step 4

Fix the source, not the post, when you are missing.

Do this

Start the log this Monday. Save this.
