

90 Posts in 30 Days

What a month of playing the algorithm teaches.

Lesson 1

Volume alone is noise. Volume with a theme is authority.

03 / 07

Lesson 2

The posts you expect to win rarely do. The clear ones do.

Lesson 3

Saves predict reach better than likes, every time.

05 / 07

Lesson 4

The golden hour is real. Post and leave, and you waste the post.

06 / 07

Lesson 5

Consistency compounds. 90 small posts beat 3 perfect ones.
