

# Five AI Money Models

The traffic is enormous, ChatGPT alone pulls 5.5B visits a month. Here are the real models ranked by effort.

02 / 07

# Sell to the Crowd

Serve tools, prompts, and templates to millions who already search for AI help.

03 / 07

# Sell the Judgment

Machine output, human review. Audits, training, and fixes stay in demand.

04 / 07

# Sell the Setup

Businesses want AI wired into their workflow, not another subscription to learn.

05 / 07

# Sell the Proof

Resume, portfolio, and positioning help: everyone needs to look AI-capable.

06 / 07

# Effort Is the Ranker

Low effort floods fast. Judgment and setup keep pricing power.
