

The AI Automation Audit

Audits run 300 to 1,500, retainers 1,500 to 3,000 a month. Here is the offer.

02 / 07

Find the Manual Toll

The audit hunts for repetitive work a business still does by hand.

Map the Fix

Show the before-and-after, the hours saved, the tools involved.

04 / 07

Price by Outcome

Charge for the hours you return to the business, not the hours you spend.

05 / 07

Recur on Retainer

The audit lands the deal, the retainer keeps the relationship alive.

06 / 07

Prove It in Week One

One small workflow automated early makes the whole pitch real.

Tonight: Map Your Entry Audit

List ten manual steps you could audit this week. Save this.
