02 / 07

Feed It a Seed

Start with one head term. The agent expands the cluster from there.

03 / 07

Let It Cluster

It groups keywords by intent, so one page covers a whole topic.

Tag and Score

Add volume, difficulty, and intent to every row so you pick winners fast.

Hand It to Humans

The agent drafts the map. You decide the priority and the order of build.

06 / 07

Run It Weekly

Fresh queries every week keep the pipeline warm with new opportunities.

Tonight: Pick a Seed

Choose one head term and describe the agent you want. Save this.
