

# Track AI Citations Weekly

Fifteen minutes a week across ChatGPT, Perplexity, and Google AI Mode.

02 / 07

# Pick Your Queries

Choose the ten questions your buyers actually ask.

03 / 07

# Ask Every Engine

Run the same query in ChatGPT, Perplexity, and Google AI Mode.

04 / 07

# Log the Mentions

Did your name or domain appear, and where? One row per answer.

05 / 07

# Watch the Trend

A rising mention rate beats any single ranking snapshot.

# Act on the Gaps

Where the engines miss you, that page needs work, not luck.

# Tonight: Build the Sheet

Set up ten queries and one tracker, then run it weekly. Save this.
