

AI Traffic Converts 4.4x

Visitors from AI convert 4.4x better than organic clicks. So measure the clicks right.

AI visitors arrive primed with an answer already decided.

4.4x is the conversion edge reported for AI-sourced visitors (Semrush).

Track conversions, not just clicks, from every AI channel.

Set up attribution per engine so you know which one pays.

If your site is not cited, you miss buyers who already decided.

Comment "4.4" for the measurement sheet. #aiseo #roi
