The Stack, Not the Month

Real AI income is a mix of services, not one lucky month.

Comment "INCOME" for the stacks. #aiincome #aibusiness

02 / 07

Base on Retainers

Audits and ongoing support keep the floor steady month to month.

03 / 07

Add Project Spikes

One-off builds add the spikes above the floor.

04 / 07

Productize the Wins

Templates and packs sell while the boring track keeps running.

Report Honestly

Civilians earning 2,000-25,000 a month show the full chart.

06 / 07

Average, Not Viral

Judge the curve on the average quarter, not the best month.

Your Move

Map your stack: floor, spikes, products. Save this.
