02 / 07

The door

A paid AI audit. Low risk, fast decision, easy yes.

03 / 07

The middle

Implementation. You build the first workflow and prove the win.

04 / 07

The back

A retainer: monitor, improve, train. This is where the business lives.

05 / 07

Why the order works

Each step earns the next. You never sell a retainer cold.

06 / 07

The rule

Sell the outcome, not the model or the tool.
