THE MONEY AI

White-Label AI

Sell under their brand. Run the system, they keep the client credit.

Comment "WHITE" for the model sheet. #whitelabel #ai

SWIPE →

02 / 07

Pick One Stack

One model plus one delivery pipeline beats five shiny tools.

03 / 07

Price the Outcome

They charge the client, you charge them the flat cut you set.

04 / 07

Ops Is the Moat

Their brand gets the credit; your automation does the hours.

Document Everything

Handoffs, prompts, and limits make the partnership repeatable.

Contract the Margins

Scope, ownership, and exit terms keep the deal clean.

Your Move

Package one service white-label ready this week. Save this.
