

AI for education 720/mo

THE MONEY AI
THE MONEY AI

Tutors Buy AI Help

Practice and grading support, with the teaching left to them.

02 / 07

Practice That Adapts

Tutors want exercises that scale with more students.

03 / 07

Grading That Returns Time

Feedback drafts, human final call.

Parent Updates

Progress notes the family actually reads.

05 / 07

The Human Stays

AI is the assistant, never the teacher. Say it in the pitch.

Small Pilot First

One class, one subject, one month.

Do This

Pitch the pilot to one tutor this week. Save this.
