

AI Revenue Model Map

Audits, retainers, and productized offers: pick one lane.

02 / 07

Audits

Fast cash. You inspect their workflow and price the fixes.

03 / 07

Retainers

Monthly work with the same client, the same scope, less selling.

04 / 07

Productized Offers

A fixed deliverable, a fixed price, no custom commissions.

05 / 07

Rank by Effort

Start with audits, graduate to retainers, productize the winner.
