

Google's 4 Site-Reputation-Abuse Factors

Audit your third-party sections fast.

02 / 07

Factor 1

Is the third-party content created mainly to game search?

03 / 07

Factor 2

Is it independent of the host's main purpose?

Factor 3

Is it low value to a real reader?

05 / 07

Factor 4

Is it produced at scale?

The tell

If a section exists only for rankings, that is the signal. Not the topic itself.

Do this

List every third-party section on your site and score it against the four.
Save this.
