

The Fastest Search for Opportunity

Find the terms rivals own and AI will soon cite. 590 searches a month for this method.

02 / 07

Pick One Rival

Choose the competitor that outranks you in your real market.

Pull Their Terms

Export the keywords they rank for that you do not.

04 / 07

Drop the Noise

Filter to terms with buying or reading intent, not filler.

05 / 07

Map to Answers

Sort by which terms AI will likely cite, not just rank for.

Build to Win

Turn the gap into pages that answer the question directly.

Your Move

Run the gap once a quarter and keep the list. Save this.
