

Own One Topic. Get Cited.

Thought leadership is a citation play. Narrow beats broad, publishing with sources wins.

Pick a Spear Point

One topic you can be the go-to on, small enough to own, big enough to matter.

Publish With Sources

Every claim gets a link or a number. Sourced takes get cited, opinions float.

Say It Again, Slowly

Repeat the same point from a new angle each week. Repetition is how ownership starts to feel real.
